WELCOME!

Plein Air Painters of New Mexico's National Juried Members Show is now in its eighth year and participation has grown beyond all expectations. The number of applications for this show was the largest in our history. We would like to thank all of our members who submitted their work and congratulate this year's juried artists for their outstanding achievement in having their work selected for this exhibition. We are delighted to have Sorrel Sky Gallery in Santa Fe as our host and thank them for the tremendous support they have given to us. And we want to extend a special thank you to all of the volunteers and donors who have given most generously of their time, talents and merchandise. Their strong continued support is the backbone to our success and is most appreciated. And to you, our patrons, thank you so much for coming, and enjoy the show!

CLIVE R. TYLER

As a Plein Air and Studio artist, I paint in natural surroundings out in the open. I have always been inspired by nature and the peace within the wilderness. I travel around America to paint, rivers, snow scenes, tall aspens and oceans with moose, bison and elk all on the list of subject matter that I enjoy painting. Through color harmony, pastel pigment, texture and edges, and with a strong concept, good design and composition, I convey this to the viewer and evoke some memories or desires. When viewers say, "I know where that is" or "I feel like I want to walk in there with the aspens" or "I wish I was there" that is a successful painting to me. Represented by InSight Gallery, Oh Be Joyful Gallery, Saks Gallery, Horton Hayes Gallery, Settler's West Gallery. Recent awards and honors include 2016 Honorable Mention, PAPNM Plein Air Festival, Santa Fe NM, 2015 Faculty for the National Plein Air Convention, Monterey CA, 2015 Best Quick Draw Award, Buffalo Bill Museum Art Auction, Cody WY, 2015 Best Pastel Award, American Impressionist Society, 2015 Brinton Museum Invitational Miniature show, Sheridan WY, 2015 Invitational Heart of the West Masters Art Show, Coeur d'Alene Resort ID, 2014 Acquisition and Teaching, Booth Museum, Cartersville GA, 2014 Coors Foundation purchase Aspen 3 series Corporate Collection, Denver CO, 2013 American Impressionist National Show, Award of Excellence.
