

Announcement After Jurying

I would like to offer my heartfelt thanks to all who submitted entries for 11th National Juried Members Exhibition this year. We received a large number of terrific paintings for jury - 342 images were submitted! The quality of the work is absolutely exceptional again this year, which made scoring quite difficult for the jurors. Unfortunately, as in most exhibitions space is limited and the exhibition space limited inclusion of many deserving works. Of the 342 submissions, 157 paintings were selected for the Exhibition! This is the highest number of paintings accepted for the exhibition since the 2015 National Exhibition. My most sincere congratulations to the 77 artists whose paintings were juried into the exhibition! A list of accepted artists will be posted soon on the PAPNM website and Facebook pages.

Jury results will be emailed soon to each artist that submitted work. Artists may receive two emails from CaFÉ—one listing "Invited" entries and one listing "Not Invited" entries. Additionally artists invited to exhibit will receive an acceptance letter detailing exhibition and delivery requirements from me very soon.

Whether you were accepted into the exhibition or not, please make plans to join us in Santa Fe, New Mexico. This is a wonderful opportunity to learn and network with your fellow PAPNM members, as well as enjoy the beautiful land of enchantment! The committee has scheduled a full weekend of exciting events for all PAPNM members and their guests,
